

## School Games 12<sup>th</sup> July 2016

Twelve children from Hayton represented Carlisle for orienteering in this year's School Games. This is usually for years 5 and 6 but because we are now restricted to one school, we had to choose children from years 3, based on their results in the Schools' League. The team consisted of Finn Mayhew Y6, James Bell Y6, Matthew Hodgson Y6, Marcus Chappell Y5, Corrie Mayhew Y3, Kane Batey Y3, Hannah Potter Y6, Samantha Batey Y5, Chantelle Peart Y5, Heidi Batey Y5, Thea Hackett Y5, Amelie Philips Y5. There was the usual selection race in Bitts Park in the morning, followed by the main event in Rickerby Park in the afternoon. After the morning event we had 1<sup>st</sup> boy Finn and 3<sup>rd</sup> boy James, 2<sup>nd</sup> girl Chantelle and 3<sup>rd</sup> girl Hannah.

### Team result:

Carlisle 55

Furness 70

Eden 80

Allerdale 82

Copeland 96

So the Carlisle team won by a large margin. The Hayton orienteering team are Cumbria District Champions AND Cumbria Schools' Champions for the second year in a row! Very well done! Thanks to Jane Hawkswell who was team manager this year. Special mention to Finn Mayhew who has had a wonderful year being the Carlisle Schools' League winner, 2<sup>nd</sup> in the CSOA Championships by a narrow margin and now 1<sup>st</sup> in the School Games.
